Practice 10 1 Areas Of Parallelograms And Triangles Answer Key

The base pairs form a
parallelogram with
half the area of the
quadrilateral, A_q , as

Access Free 10 1 Areas Of

the sum of the areas of the four large triangles, A_l is $2 A_q$ (each of the two pairs reconstructs the quadrilateral) while that of the small triangles, A_s is a quarter of A_l (half linear dimensions yields quarter area), and the area of the parallelogram is A_q minus A_s .
