Sting, the perfectionist that he is, produced a well-written book, which I found to be dense and a chore to read. The book is not entertaining, maybe by design. Sting is very ambitious, and his plans are very calculating.

Broken Music by Sting - Goodreads "Sting's gift for prose and reverence for language, nearly the equal of his musical gifts, shine on every page. Even when Broken Music addresses the quixotic life of an aspiring rock & roller, it reads like literature from a more rarified time when adults didn't condescend to the vulgarities of pop culture."
