~~Dual diagnosis | Mind, the mental health charity - help ...~~

Dual diagnosis is the condition of suffering from a mental illness and a comorbid substance abuse problem. There is considerable debate surrounding the appropriateness of using a single category for a heterogeneous group of individuals with complex needs and a varied range of problems. The concept can be used broadly, for example depression and alcoholism, or it can be restricted to specify severe mental illness and substance misuse disorder, or a person who has a milder mental illness and a dru

~~Dual diagnosis - Wikipedia~~

## Read PDF Dual Diagnosis

Dual diagnosis is a term used to describe co-existing mental health and alcohol and drug misuse problems. It is also called dual disorder or co-morbidity. Drug and alcohol use may cause problems for some people. Exactly how it affects someone will depend on the person, the drugs which are used and how they are taken.

~~Dual diagnosis – Avon and Wiltshire Mental Health ...~~

Dual Diagnosis emerged 20 years ago but is still misunderstood. 1. Sequentially. First treat the addiction and then treat the underlying psychiatric problem that drove the person to... 2. Separately. The addiction and the emotional problem are treated at the same time but by different doctors,

depression are presented in the same patient simultaneously, it is known as a dual diagnosis scenario. The dual diagnosis gets its name from the fact that an experienced doctor or therapist is able to identify the co-occurring conditions for what they are, diagnosing them accordingly, rather than simply assuming that only one condition exists that might be manifesting itself in other ways.

### ~~Dual Diagnosis – UK Addiction Treatment Centres~~

When you have both a substance abuse problem and a mental health issue such as depression, bipolar disorder, or anxiety, it is called a co-occurring disorder or dual diagnosis. Dealing with substance abuse, alcoholism, or drug addiction is never easy, and it's even more difficult when you're also
