(False Dawn: the delusions of global capitalism)
John Gray, a professor at the LSE, and an erstwhile supporter of the New Right, has given us a damning indictment of late twentieth century capitalism. "False Dawn" takes us on a world tour of the social devastation being left in capitalism's wake.

False Dawn: the Delusions of Global Capitalism

Review of False Dawn: The Delusions of Global Capitalism by John Gray. John Gray surely expects economists in general, and perhaps me in particular, to denounce him as an ignoramus; I will not disappoint him. But one of the puzzles about False Dawn is why he even needed to be an economic ignoramus, ...

False Dawn: The Delusions of Global Capitalism. This is an analysis of an important issue facing the world in the 1990s, whose outcome will determine the kind of world in which children will grow up in. John Gray argues that societies and peoples all over the world are being forced to participate in an experiment in liberal social engineering.

False Dawn: The Delusions of Global Capitalism: Gray, John ...

Hailed by Kirkus Reviews as both "a convincing analysis of an international economy headed for disaster" and a "powerful challenge to economic orthodoxy," False Dawn shows that the attempt to impose the Anglo-American-style free market on the world will create a disaster, possibly on the scale of Soviet communism. Even America, the supposed flagship of the new civilization, risks moral and social disintegration as it loses ground to other cultures that have never forgotten that the ...
