Narration: Toward a

Get Free Human Communication

Philosophy of Reason,
Value and Action. This
book essentially
elaborates on and
refines Fisher 's
previous articles on the
narrative paradigm and
aims to present a more
complete explanation of
the theory ' s roots, as
well as its main tenets
and relevant
applications.

Get Free Human Communication

Narrative paradigm is a communication theory conceptualized by 20th-century communication scholar Walter Fisher.

The paradigm claims that all meaningful communication occurs via storytelling or reporting of events. Humans participate as storytellers and observers of narratives. This theory further

Get Free Human Communication

claims that stories are more persuasive than arguments. Essentially the narrative paradigm helps us to explain how humans are able to understand complex information through narrative.
