Rescue And Defense

N.E.R.D.S. is a humorous children's thriller pentalogy written by Michael Buckley and illustrated by Ethen Beavers. The series tells the story of a fictional spy agency and its agents—children who have their "nerdy" characteristics upgraded into a tool that they can use to fight crime. The series includes five books, each told from a different agent's perspective, and an animated feature film based on the series is in development at Elton John's Rocket Pictures.
