QuickStart Guide  
Service Bus delivers low-cost, standards-based integration for mission critical SOA environments where extreme performance, scalability and reliability are critical requirements.

Oracle Service Bus

*Page 19/37*

# Download Free Oracle Enterprise Service Bus

**Quick Start Guide**  
An enterprise service bus should be considered as an architecture style or pattern and not as a product. There is no definition or specification for the ESB and therefore no standard. An ESB can help achieve looser coupling between systems. A service on an ESB is stateless.
