-This massive book is a monumental contribution to the study of politics, peace and war, and international relations. Peace and War: A Theory of International Relations, by Raymond Aron, is an incredibly informative, interesting, and encompassing book. Aron has delivered an extraordinarily scholarly work that develops and presents analytical tools indispensable to developing clear and cogent thinking regarding conflicts and possibilities of contemporary international relations.

Peace and War: A Theory of International Relations eBook ...

Peace and War: A Theory of International Relations provides us with one of the most profound, brilliant, insightful works ever written on the challenges of peace and war and international relations. Aron has written a fascinating, enlightening study of human behavior on a grand scale, and I highly recommend that it be added to international studies, political science, military, and multinational-history reading lists.-
