Just to give you a hint on the rest of the book, Strong Curves is a complete guide for improving a woman's physique, strength, and lifestyle: Chapters 1-9 teach you the key components when building a woman's physique, provide the science behind muscle building, provide you a practical guide for nutrition, and discuss proper movement patterns.

~~"Strong Curves: A Woman's Guide to Building a Better Butt ...~~

Strong Curves is aimed and marketed at women predominantly, but there is no questioning that it is also a great training resource for men (who just as commonly suffer from underdeveloped glutes). The book can definitely benefit both genders in a relationship - meaning that as a guy, you can also follow the program alongside your female partner if you want to provide a bit of support and encouragement!
