Experience And Reason. \$ 19.95. Fr. Spitzer's work provides a bright light in the midst of the darkness by presenting traditional and contemporary evidence for God and a transphysical soul from several major sources. It shows that we are transcendent beings with souls capable of surviving bodily death; that we are self-reflective beings aware of and able to strive toward perfect truth, love, goodness, and beauty; that we ...

The Soul's Upward Yearning: Clues to Our Transcendent Nature from Experience and Reason. Robert J. Spitzer. Since the early twentieth century, scientific materialism has so undermined our belief in the human capacity for transcendence that many people find it difficult to believe in God and the human soul. The materialist perspective has not only cast its spell on the natural sciences, psychology, philosophy, and literature, it has also
